

THARUSHI EKANAYAKE

BIOTECHNOLOGY INTERN

Motivated undergraduate in Biotechnology with a strong passion for healthcare innovation and digital health solutions. Skilled in research, data analysis, and cross-disciplinary collaboration, with a keen interest in integrating biotechnology into practical healthcare applications. Eager to contribute to the development of biotech-enabled diagnostics, bio-sensor integration, and strategic health tech projects at eChannelling PLC. Committed to applying my skills and creativity to advance biotech-driven healthcare transformation in Sri Lanka.
